Lab 5 - Subqueries and Joins

Q1 to Q5 using subqueries only; Q6 to Q10 using joins only.

Q1) List the names and dates of birth of Indian directors who have directed at least one crime movie. Return in order of their age (oldest to youngest).

name	date_of_birth
Vishal Bhardwaj	1965-08-04
Anurag Kashyap	1972-09-10

Q2) List names of all non-Indian actors who have appeared in at least one web series and in no movies. Return in ascending alphabetical order of actor names.

name
Andy Samberg
Bryan Cranston
David Schwimmer
Jennifer Aniston
Jim Parsons
Kaley Cuoco
Millie Bobby Brown
Steve Carell

Q3) List the directorID and name of that director who directed the highest-grossing movie of the decade 2010 - 2020 (include both 2010 and 2020). You cannot use aggregate functions.

directorID	name
8	Todd Phillips

Q4) List the webseriesID, number of seasons and total number of episodes for webseries where either at least one of the following characters appeared: Ross Geller, Sheldon Cooper, Penny Hofstadter, or at least one of the following actors appeared: Bryan Cranston, Millie Bobby Brown. Return the output in descending order of total number of episodes.

webseriesID	no_of_seasons	total_no_of_episodes
610	12	279
609	10	236
615	5	62
616	5	42
617	3	30

Q5) List the names of comedy web series available on Netflix or Amazon Prime Video whose average rating over all seasons exceeds the average rating of all comedy movies starring Akshay Kumar. Do not hardcode any IDs (e.g., actorID). Solve using subqueries only. Return output in ascending order of webseries names.

name
Brooklyn Nine-Nine
Friends
The Big Bang Theory
The Office

- Q6) Solve Q1 using joins only. (Same outputs as Q1)
- Q7) Solve Q2 using joins only. (Same outputs as Q2)
- Q8) Solve Q3 using joins only. (Same outputs as Q3)
- Q9) Solve Q4 using joins only. (Same outputs as Q4)
- Q10) List the character names, movie names, and actual names of non-American actors who have acted in at least one movie directed by Christopher Nolan and are younger than him. Return the output in alphabetical order of character name. Solve using joins only.

characterName	movieName	playedBy
Bruce Wayne	The Dark Knight	Christian Bale
J. Robert Oppenheimer	Oppenheimer	Cillian Murphy
Katherine Oppenheimer	Oppenheimer	Emily Blunt
The Joker	The Dark Knight	Heath Ledger
